

DRI-WRAP FR Scaffold Sheeting

DRI-WRAP is a heavy duty 12 mil fire retardant scrim reinforced polyethylene film that is ideal for jobsite enclosure applications. DRI-WRAP's heavy duty make-up and pre-punched reinforced bands ensure durability and ease of installation. Install DRI-WRAP with Con-Dri's HD bungee cords and PE tape to create an enclosure that can withstand the harshest conditions.

SKU	DESCRIPTION	ROLL SIZE	# of BANDS	COLOR
DWFR76100	DRI-WRAP FR	7'6" X 100'	3	MILKY WHITE
DWFR86100	DRI-WRAP FR	8'6" X 100'	3	MILKY WHITE
