

Double-Sided Scrim Tape

Con-Dri's Double-Sided Scrim Tape is a highly durable, scrim-reinforced, double-sided tape for construction applications. It aids in the installation of flooring, carpet, trim, baseboard, vapor barriers, and more. The scrim-reinforced tape provides longevity and durability, and the double-sided adhesive backing provides an extra hand in installation and adhesion. Our Double-Sided Scrim Tape also comes in a variety of roll sizes for any scale of project.
